

Application No. 10/014,937

Applicants thank Supervisory Examiner Westin for the courtesies extended to Applicants' representative, Mr. Luo, during the November 6, 2006 telephone interview. In reply to Examiner Westin's request, Applicants submit a complete set of claims reflecting amendments and additions to the claims in all prior Amendments, relative to the claims in the original patent. Applicants respectfully submit that the submission of the complete list of claims satisfies all formal requirements.

Also, as Examiner Westin indicated during the telephone interview, the submission of the complete list of claims does not change the scope of the pending claims. Thus, no additional supplemental declaration is needed.

The Examiner is respectfully requested to acknowledge consideration of the references listed on, and to return initialed copies of, the forms PTO-1449 submitted with the August 10, 2004 and November 21, 2005 Information Disclosure Statements.

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of claims 1-52 are earnestly solicited.

Application No. 10/014,937

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
